- Course numbers are restricted to a minimum of 2 and a maximum of 8 attendees. (Maximum number of attendees varies by course type).
- All YASKAWA robot training courses are practical, hands-on, and trainees are advised to dress accordingly.
- Courses are offered on the available current training robot type only and are not model or system specific.

#### Normal Course hours:

All courses (unless otherwise agreed) commence at 9am Monday, course finishing times vary dependent upon course.

#### Course Location:

All course prices are based upon courses being held at YASKAWA Washington and include lunch & refreshments but are specifically exclusive of trainee hotel costs, evening meals or travel expenses. Basic programming (Standard) courses are available on the customers site in which case the following charges shall apply.

- Training officer per full or part day (minimum 2, maximum 4 trainees) £2,170.00
- Hotel per night £130.00
- Travel time per hour or part hour £85.00
- Mileage charge per mile £0.85

All stated prices are exclusive of VAT. YASKAWA requires 14 days written notice of any cancellation or postponement. YASKAWA reserves the right to invoice in full if this notice is not given.
